

Directions to Holly Hagg - Community Food, Wildlife and Forest Garden

The field is on Long Lane, off Stephen Hill/Back Lane, Crosspool, Sheffield S10 5PY. If driving, the postcode is the nearest but the sat nav will take you to Clough Fields Equestrian Centre so **DO NOT TURN UP CLOUGH FIELDS** but follow the directions below.

From S10:

Take the A57 Manchester Road from Broomhill and just after Crosspool turn right into Stephen Hill (becoming Back Lane), **opposite** Stephen Hill Methodist Church and the Sportsman pub. Half a mile down the hill, passing Clough Fields on the right (do not go there. ignore the sat nav), turn **left** into Long Lane at the end of the allotments which are on your left. Be careful not to miss the lane as it is difficult to turn round on Back Lane.

From S11:

From the Hunters Bar/Ecclesall Road direction go up Rustlings Road, left onto Oakbrook Road, Right onto Hangingwater Road, across the lights to Gladstone Road right fork up Ivy Park Road, left turn onto Carsick Hill, across the road to Coldwell Lane, straight across to Hagg Lane, bear right at the end onto Long Lane and park near the field gate on your left. See below.

From S6:

(a) From the Walkley direction come along Bole Hill Road, passing the steep road Hagg Hill on your right (the road you are on is now Back Lane).

(b) From Hillsborough head out of town along Rivelin Valley Road and then turn left up Hagg Hill and right at the top.

(a & b) Holly Hagg is now the field on your right past Hagg Hill so continue until you can turn **right** into Long Lane.
